Throughout her entire senior career, Olympic gold medallist Veronica Campbell-Brown has worn the national colours well. Campbell-Brown has won four gold, six silver and a bronze medal in global competitions.

When she is not representing Jamaica or her shoe sponsor Adidas, she likes to cover her toned body with clothing that is both stylish and comfortable.

Over the years, we have seen the sprint queen looking radiant at the many formal events she attends. Whether it's collecting a major award or being named United Nations Education and Cultural Organisation Champion of Sport, Campbell-Brown has always managed to exude sophistication.
